*Section 9 of the National School Lunch Act requires that, unless your child's food stamp or K-TAP case number is provided, you must include the social security number of the household member signing the statement or an indication that the household member signing the statement does not possess a social security number. Provision of a social security number is not mandatory, but if a social security number is not provided or an indication is made that the adult household member signing the statements does not have one, the statement cannot be approved. The social security number may be used to identify the household member in carrying out efforts to verify the correctness of information on the statement. These verification efforts may be carried out through program reviews, audits, and investigations and may include contacting employers to determine income, contacting the food stamp or welfare office to determine current certification for receipt of food stamps or K-TAP benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.
